4th revised edition of japanese for busy people the most popular japanese language textbook series in the world since it was first

published in 1984 the focus of the japanese for busy people series has always been to teach japanese for effective communication
japanese for busy people i the workbook for the revised 4th edition is for all learners who wish to improve their speaking and
listening skills it can be used in tandem with japanese for busy people i revised 4th edition both kana edition and romanized edition
or as independent study material the workbook provides ample speaking and listening practice in the form of illustrated exercises
that call on learners to construct dialogues and role play in japanese illustrations combined with conversations which proceed at a
natural pace in the audio recordings help learners to feel as if they are actually experiencing each situation through repeated oral and
listening practice learners will come to acquire the rhythm of real life japanese conversation audio recordings can be downloaded for
free from kodansha us

the adventures in japanese volume 1 workbook contains reading and writing exercises that correspond to the lessons in the volume 1
textbook and listening exercises from t

a communicative program in contemporary japanese

4th revised edition of japanese for busy people the most popular japanese language textbook series in the world since it was first
published in 1984 the focus of the japanese for busy people series has always been to teach japanese for effective communication as
suggested in the title this is a concise course for busy students who want to learn natural spoken japanese as efficiently as possible in
a limited amount of time the new japanese for busy people revised 4th edition is made up of three volumes book i book ii and book
iii book i is available in both romanized and kana versions similar to the revised 3rd edition the kana version is exactly the same as
the romanized version except for the scripts used throughout the book hiragana and katakana the kana version is therefore
recommended for those who have already learned kana as these scripts are collectively called or are learning them with japanese for
busy people kana workbook or another such text studying japanese in kana rather than in romanized script can lead to fluent
pronunciation and facilitate a smooth transition to the study of kanji

japanese workbook

japanese for busy people is the most popular japanese language textbook series in the world with over 20 components including texts
workbooks cds videos and teacher s manuals it is also one of the most comprehensive now a decade after its first revision the entire
series is being redesigned updated and consolidated to meet the needs of 21st century students and businesspeople who want to learn
natural spoken japanese as effectively as possible in a limited amount of time the book features not only a sleek new design but also
a unit structure that groups thematically linked lessons together making it easier than ever to learn japanese moreover it now comes
with a cd containing audio for the dialogues and listening exercises from the text the exercises in the book have also been thoroughly
revised to incorporate more comprehension and production tasks many of these exercises are illustrated making for a stimulating

learning experience and the purpose of each one is clearly stated this first of three volumes introduces survival japanese the absolute minimum amount of japanese needed to live in japan thus the vocabulary and grammatical items it introduces are limited to about a third of what is typically introduced in a first year course in addition the book features notes on japanese culture intended to expand the learner s understanding of japan its customs and people japanese for busy people i is available in two formats romanized and kana the romanized version uses romanized japanese throughout with kana in the opening dialogues of each lesson the kana version exposing students to hiragana and katakana from the very beginning uses only kana the content of the two books is otherwise exactly the same the companion volume japanese for busy people 1 the workbook for the revised 3rd edition contains a variety of illustrated exercises for mastering the basic sentence patterns presented in the main text

workbook 1 of the japanese stage step course is designed to be used alongside stage one of the grammar textbook it contains grammar exercises along with new vocabulary and conversational listening and reading practice for each chapter in the textbook so that students will be able to thoroughly practice the grammatical structures they have learnt additional features include detailed explanation of vocabulary items information on the system of kanji abundant exercises including sentence as well as discourse practices extensive cross referencing with the grammar textbook japanese english and english japanese glossary all the audio material for workbook 1 is available on cd1
