a rich and insightful overview of the christian belief in jesus his life his teaching and the meaning  
of jesus today

the authoritative literature concerning the history of the lord jesus christ is contained within the  
new testament he is the supreme subject of the whole library every several book gathers its value

from its testimony to his person his teaching or his work the perfection of the whole is created by its unification in him the first four of its books chronicle his deeds and his words during the brief span of a lifetime lasting for a generation the rest of the book is occupied with the subject of his deeds and his words through all subsequent generations the book of acts is the first chapter in that history of the church which is the history of the deeds of christ by the holy spirit through his people the epistles contain the teaching of christ by the spirit through chosen men for the guidance of his church until his second advent the last book contains a prophetic vision of the final movements which shall firmly establish his reign over the whole earth the old testament foretells his coming and chronicles for these days the methods by which the hope of his advent was kept alive and indeed burned ever more brightly through the processes of the past the new is the history of that advent and the new message of hope under the inspiration of which men move through the confusion of conflict towards the certainty of ultimate victory the history of the new testament is at once the story of the life of jesus of nazareth and the account of the accomplishment of the mission of the christ these are phases forming the one perfect story the life of jesus was the carrying out of the mission of the christ the work of the messiah was accomplished in the orderliness of the life of jesus in this connection it is interesting to notice the opening and closing verses of the new testament matthew the evangelist places jesus in his relation to the race the book of the generation of jesus christ the son of david the son of abraham the reference is not to the whole of the new testament nor even to the whole of the gospel but to the genealogy which immediately follows the use here of the word christ declares the appointment of this man to definite service it is rather a title than a name by his name jesus he is indicated as united to the race coming through the chosen people by the title christ he is identified as the one who comes to fulfil the promises of the past by the accomplishment of divine purposes the last verse of the new testament reads the grace of the lord jesus christ be with the saints amen here there is prefixed to the name jesus the title lord the revised versions both english and american have relegated the word christ to the margin some ancient authorities however include it the essential value of this comparison of verses is not interfered with whichever view may be taken the new testament opens with a declaration introducing the man jesus and declaring his appointment to service it closes with a benediction which announces the crowning of jesus as lord consequent upon his accomplishment of the purpose appointed and the use of the word grace as the portion of the saints reveals the glorious issue of that work he came for a purpose the purpose is realized he was anointed of god for the doing of a work the work is accomplished and he is now the lord through whom the grace of god is expressed towards and becomes operative in such as are subject to him thus between the opening words of matthew and the closing statement of john there lies

the story of his life and the account of his mission

i was raised in a christian home i loved hearing stories about jesus and his life here on earth growing up i became less and less enthusiastic about my religion for several reasons one critical reason was a natural process as i matured i became more aware of the hypocrisy of religion you know do as i say not as i do one day a week act like a christian and the other six days be selfish greedy and a bigot at that time my faith wasn t strong enough to endure now i know that if i look hard enough i can find hypocrisy in anything i pray that i ve grown beyond the paradox my book is an attempt to make the first four books of the new testament easy to read it s written in prose in other words it s a narrative of jesus life using the first four gospels my book combines matthew mark luke and john into a chronological narrative of jesus life it is written through the eyes of you as peter the book is scriptural it doesn t change alter or sensationalize the original versions of events in some instances i combine multiple versions of the same event into one my inspiration for writing this book is to bring enthusiasm about jesus to christians and new revelations to non christians scriptures quoted from the holy bible new century version copyright 1987 1988 1991 by word publishing nashville tn used by permission

scholarship intricately weaves doctrinal analysis with narrative flair making the christological content accessible to both lay readers and scholars alike. James E Talmage, a prominent Latter Day Saint theologian and a member of the Quorum of the Twelve Apostles, penned this seminal text at a time when the understanding of Christ was being challenged and redefined. His extensive background in geology and philosophy combined with his deep faith and commitment to his religious community motivated him to clarify and defend the teachings of Christianity, especially within the context of Latter Day Saint beliefs. Talmage's scholarly approach paired with his spiritual fervor sets him apart as a key figure in Mormon intellectual history. *Jesus the Christ* is an essential read for anyone seeking a deeper understanding of Jesus within Christianity, irrespective of their personal beliefs. Talmage's insightful interpretations and eloquent prose provide both enlightenment and inspiration, urging readers to reflect on their own faith journeys. This text remains a foundational work for theological students and laypersons alike, inviting all to partake in the sacred exploration of the life of Jesus.

The baptism of Jesus by John the Baptizer is one of the theologically richest narratives in the Gospels, touching the transition from the Old to the New Covenant. The doctrines of water and Holy Spirit baptism, and the doctrine of the Trinity, to name only the most significant of topics, in the baptism of Jesus. The Christ Ralph Allan Smith addresses each of these areas, aiming in particular to respond to James D. G. Dunn's view that Jesus' baptism and the gift of the Spirit are fundamentally distinct events. To revive John Calvin's view of the baptism of Jesus as central to understanding Christian baptism, and to suggest directions for re-thinking the doctrine of God's attributes in the light of the fully personal interaction of Father, Son, and Spirit reflected in the baptismal narrative.

G. Campbell Morgan offers his perspective on the life and actions of Jesus Christ, placing his character in the context of man's relationship with the Lord God. An all-embracing account of the life of Jesus, we are taken chronologically through the existence of the Christ. The circumstances of his birth, his hidden years as a youth in Nazareth, his baptism, and the temptations in the desert, and his sermons in ancient Judea, his conviction and crucifixion by the Roman occupiers, are detailed. As is the resurrection and the ascension of Jesus to the heavenly realms, all along the way. G. Campbell Morgan gives us a perspective supported by the words of scripture, demonstrating how the life and accomplishments of Jesus would influence how mankind interacts with the divine, as well as being the founder of Christianity. The sufferings and trials of Jesus became a beacon to many. His ultimate sacrifice, dying upon a crucifix for the sake of mankind's relations with God, was an event of immense

gravity
