a guide that cuts through the haze of misinformation and delivers an insightful message to anyone living with or at risk of cancer diabetes and other diseases

first benbella books edition published in 2006

in 2005 t colin campbell phd and thomas campbell md co authored the china study in which they detailed the groundbreaking research results showing that a whole food plant based diet has the potential to prevent and reverse many chronic diseases the china study became a worldwide phenomenon selling more than a million copies and inspiring countless readers to reinvigorate their health by making better food choices in the china study solution dr thomas campbell

goes beyond why and shows you how to make the transition and enjoy the journey with practical guidance and a simple plan to make a whole food plant based lifestyle easy and sustainable the china study solution tackles the most contentious questions is soy healthy should you eat gluten do you need to eat organic should you eat fish is gmo dangerous how should you feed your kids with more than 50 easy recipes and a 2 week menu plan the china study solution breaks down cutting edge nutritional research into easy to follow instructions on what behavioral principles are needed to succeed in your journey what to stock in your pantry how to read labels and shop and how to navigate social and eating out situations whether you wish to lose weight reverse disease or enjoy the best health of your life the china study solution provides step by step guidance to help you achieve your goals

ong compiles priceless hands on tips to help an individual get his or her weight back on track again in order to improve health aches and pains naturally

publishers weekly bestseller indulge in the revised and expanded edition of the bestselling china study cookbook with more than 175 mouthwatering recipes and stunning all new photography with 2 million copies sold the china study has been hailed as one of the most important health and nutrition books ever published it reveals that a whole foods plant based diet is the best way to stop widespread growth of obesity diabetes heart disease and cancer this new edition of the bestselling china study cookbook puts the groundbreaking scientific findings of the china study on your plate written by leanne campbell daughter of the china study coauthor t colin campbell the china study cookbook is now expanded to feature even more delicious easy to prepare plant based recipes with no added fat and minimal sugar and salt all of leanne s recipes follow three important principles 1 optimal nutrition is based on eating foods not taking supplements 2 the closer foods are to their native states when eaten the greater their long term health benefits and 3 choosing locally grown organic produce whenever possible maximizes nutritional value inside discover time tested favorites and brand new dishes almond topped blueberry coffee cake ensalada azteca green banana cassava soup peanut butter bars cassava yuca con cebollas black bean chipotle burgers sweet potato enchiladas passion fruit bliss cheese less cake delight leanne invites you into her kitchen to share the recipes she uses to nourish her own family she also offers a look inside her organization global roots which strives to create sustainable communities around the globe through whole foods plant based eating filled with tips on substitutions and keeping foods nutrient rich the china study cookbook shows you how to transform your health and the health of your entire family along

with contributing to the health of your community and the world all while enjoying incredible meals

this book is perhaps the most complete scholarly book out today showing that jesus and mary were kosher vegetarians the evidence from the scriptures the early church period the jewish literature the mystics and nutrition indicates that jesus and mary were kosher and also that they were vegetarian this book proposes that jesus and mary were the new adam and eve who ate a plant based diet they were the first penitents of the christian era leading us into a penitential lifestyle a lifestyle of purification involving a kosher plant based diet and fasting there is evidence from multiple sources that people in the early church believed that jesus and mary and some of the disciples were vegetarians the monastics have carried on the plant based practice for centuries

back in the time of copernicus most would have thought it impossible if you said that you were going to convince everyone that the earth revolved around the sun rather than the other way around but it did eventually happen so the idea of convincing everyone that they are not separate from nature humans are not the center of the universe but rather just one part of nature s web does not seem too far fetched either we must understand that we are all connected together and to the whole dynamic complex living entity we call earth and even to the cosmos

the china study revised and expanded edition the most comprehensive study of nutrition ever conducted and the startling implications for diet weight loss and long term health by t colin campbell phd book summary abbey beathan disclaimer this is not the original book did you know that you can reduce the risk of cancer diabetes and heart disease just by changing your diet more than 30 years ago a groundbreaking study that analyzed the relationship between diet and the risk of developing diseases was conducted the results were astonishing it changed how every informed individual structured their meal plan they started to get away from diets with high animal protein because the risks that came with it were discovered now in this book the unparalleled health benefits of a plant based diet will be broken down on top of other relevant information regarding said eating regime note this summary is wholly written and published by abbey beathan it is not affiliated with the original author in any way americans love to hear good things about their bad habits t colin campbell the china study has one purpose to inform society about what is really healthy for you and debunking a wide array of health myths misinformation is your worst enemy when it comes to dieting campbell is well aware of it and he is trying to mitigate misinformation to create a healthier society according to t colin

campbell the only thing you need to have a long healthy life is a proper breakfast lunch and dinner p s the china study is the ultimate book about dieting necessary to anyone who wants to have a healthier eating regime p p s it was albert einstein who famously said that once you stop learning you start dying it was bill gates who said that he would want the ability to read faster if he could only have one superpower in this world abbey beathan s mission is to bring across amazing golden nuggets in amazing books through our summaries our vision is to make reading non fiction fun dynamic and captivating ready to be a part of our vision mission scroll up now and click on the buy now with 1 click button to get your copy why abbey beathan s summaries how can abbey beathan serve you amazing refresher if you ve read the original book before priceless checklist in case you missed out any crucial lessons details perfect choice if you re interested in the original book but never read it before disclaimer once again this book is meant for a great companionship of the original book or to simply get the gist of the original book one of the greatest and most powerful gift in life is the gift of knowledge the way of success is the way of continuous pursuit of knowledge abbey beathan

the world s most comprehensive well documented and well illustrated book on this subject with extensive subject and geographical index 30 photographs and illustrations mostly color free of charge in digital pdf format
